

European Scientific Advisory Board on Climate Change

Declaration of interests

First name: Veronika

Surname: Eory

Date of designation as member of the European Scientific Advisory Board on Climate Change:
24/03/2026

I, the undersigned, hereby declare to the best of my information, knowledge and belief, that:

☐ I have no interests to declare in the field of activities of the Advisory Board ⁽¹⁾.

☒ I have recorded all relevant interests in the field of activities of the Advisory Board ⁽²⁾.

Personal data protection

- Filling out this declaration of interests involves the recording and processing of personal data.
- Such data will be processed pursuant to Regulation (EU) 2018/1725 on the protection of natural persons with regard to the processing of their personal data by the Union institutions, bodies, offices and agencies, and on the free movement of such data.
- Unless indicated otherwise, any personal data requested are required to prevent and manage potential conflict between private interests you may hold and your duties in the Advisory Board to make impartial and objective decisions, opinions and recommendations and will be processed solely for that purpose by the Secretariat to the Advisory Board, the EEA legal service and the EEA Management Board.
- Under the data protection Regulation (EU) 2018/1725, you are entitled to obtain access to your personal data on request and to rectify any such data that is inaccurate or incomplete. If you have any queries concerning the processing of your personal data, you may address them to the Head of the Secretariat.
- You have the right of recourse at any time to the European Data Protection Supervisor (edps@edps.europa.eu; <https://edps.europa.eu>) if you consider that your rights under Regulation (EU) 2018/1725 have been infringed as a result of the processing of your personal data by the Advisory Board. You may also contact the EEA's Data Protection Officer (DPO@eea.europa.eu) in case of any queries relating to the processing of your personal data.

Please provide information on all interests that are or might be perceived as related to the activities of the Advisory Board and which may thus lead to any actual or potential conflict of interest prejudicial to your independence in the performance of your duties as a member of the Advisory Board. Please add as many rows to the table below as necessary. Annexed to the form you will find the **Declaration of Interests guidance** that you are requested to read and follow when filling in the form below.

⁽¹⁾ If you have no interests to declare, tick here, date, sign and return the form to the Secretariat.

⁽²⁾ If you have interests to declare, please complete, date, sign and return the form to the Secretariat.
The guidance to the declaration of interests is annexed below.

Title/function + own/family member	Period of activity	Company/organisation	Activity	Relevance to Advisory Board
1. Employment with a company or organisation, including any contractual link (e.g. leave on personal grounds/secondment)				
Researcher	Since 2011	Scotland's Rural College	Scientific research	Climate change research
Family member researcher	Since 2006	University of Edinburgh	Scientific research	Climate change research
2. Member of a governing body or equivalent structure of a company or organisation				
3. Other membership, affiliation, or advisory role (paid and non-paid)				
Expert member	2020-2022	Nutrient Management Expert Group, Defra, UK	Scientific advice	Climate change policy advice
Expert member	2025-	Specialist Advisory Group Scottish Greenhouse Gas Inventory	Scientific advice	Climate change modelling/MRV advice
Expert member	2026-	Technical Advisory Committee for the UK's Agriculture Inventory	Scientific advice	Climate change modelling/MRV advice
Scientific advisory board member	2025-	Scientific advisory board for the project "PaludiCentral"	Scientific advice	Climate change research advice
4. Research funding from a company or organisation, including any contractual link (e.g. grants, rents, sponsorships, fellowships, non-monetary support > 10,000 EUR per year)				
Work package lead in FRAME-Agriculture: Development of a Framework for Reporting, Assessment and Modelling GHG Emissions from Agriculture	2026-2028	Defra	Scientific research	Climate change research
Principal investigator in Ahdb	2025-2026	AHDB	Scientific research	Climate change research
Researcher in Socio-economic and climate and	2025-2029	European Community's	Scientific research	Climate change research

environmental aspects of paludiculture (Paludi4All)		Horizon Europe Programme		
Work package lead in The evaluation of market ready agricultural technology options	2024-2027	Defra	Scientific research	Climate change research
Principal investigator in Analysis for the CCC's 7th carbon budget for agriculture and land use	2024	Committee on Climate Change	Scientific research	Climate change research
Researcher in Upgrading knowledge and solutions to fast-track wetland restoration across Europe (WET HORIZONS)	2022-2026	European Community's Horizon Europe Programme	Scientific research	Climate change research
Researcher in Ensuring positive behavioural change for farmers towards best practice for clean growth: economic and behavioural investigations (SRUC-B3-1)	2022-2027	Scottish Government	Scientific research	Climate change research
Researcher in Scottish Government Agriculture climate and carbon (SRUC-C2-1)	2022-2027	Scottish Government	Scientific research	Climate change research
Principal investigator in Scottish Government Modelling the current and future GHG emissions and wider impacts in the Scottish beef,	2022-2027	Scottish Government	Scientific research	Climate change research

sheep and dairy sectors (SRUC-C5-1)				
Work package lead in ICT-AGRI 2 Climate Care Cattle Farming System	2019-2023	ERA-NET Cofund SusAn, ERA-NET Cofund FACCE, ERA-GAS and ERA-NET	Scientific research	Climate change research
Work package lead and co-investigator in South Asian Nitrogen Hub	2019-2024	UKRI GCRF	Scientific research	Climate change research
Principal investigator in A scenario-based approach to emissions reduction targets in Scottish agriculture	2021-2022	ClimateXChange	Scientific research	Climate change research
Work package co-lead Genomic management Tools to Optimise Resilience and Efficiency (GenTORE)	2017-2022	European Community's H2020 Programme	Scientific research	Climate change research
Researcher in Great Soils Research to deliver Greenhouse Gas REmovals and Abatement Technologies (Soils-R-GREAT)	2017-2021	NERC	Scientific research	Climate change research
Researcher in Theme 2 – Productive and Sustainable Land Management and Rural Economies (Work Package 2.3 Agricultural Systems: RD: 2.3.5 Improving existing GHG reduction measures, Work Package 2.4: Rural Industries RD 2.4.3 Environmental sustainability and circularity of the rural economy)	2016-2021	Scottish Government	Scientific research	Climate change research

5. Intellectual property rights (e.g. patent, trademark, copyright or proprietary know-how)				
6. Investments in a company or organisation, including holding of stocks and/or shares, stock options, equity, bonds, partnership interest in the capital of such undertaking, one of its subsidiaries or a company (> 10,000 EUR per commercial entity)
