

Errata in *Scientific advice for the determination of an EU-wide 2040 climate target and a greenhouse gas budget for 2030–2050*

Section	Correction
Figure 2	In notes to the figure, “emissions reductions of 88-95% by 2030” should refer to 2040 instead of 2030.
Figure 3	The notes to the figure refer to a lowest fair share estimate of -91 GtCO ₂ from the start of 2020. This should read -99 GtCO ₂
